Entering Your Event

After you've confirmed that you have tickets in your account and have completed your account registration, including adding an electronic ID (e.g., credit card, driver's license), you are ready to enjoy your event.

1. Go to the venue and look for the Flash Seats gates.
2. Have your registered electronic ID ready and hand it to the Guest Services Representative at the gate.
3. Your ID will be swiped to verify you have tickets on your account.
4. The Guest Services Representative will give you a Seat Locator, identifying the location of your seats.

Note: Remember that the Seat Locator simply shows the location of your seats in the venue; it is not a ticket and cannot be used for entry into the venue. With Flash Seats, your ID is what gets you into the venue.
